Deux vies, un seul rythme. — Agenda partagé du foyer (tâches à tour de rôle, courses, calendrier)

Idea

WHERE IT SITS

FEELS

complice · précis · serein

THE IDEA

Deux trajectoires qui avancent ensemble : deux roues qui se chevauchent dans le symbole, un serif fin et son italique pour la voix, et deux couleurs (cobalt, abricot) qui ne se croisent que sur la nuit.

ONE LOUD THING

Le fond de nuit, avec ses deux faisceaux de traits fins, est la seule chose bruyante.

WHERE IT DIFFERS

Les applis du rayon (Cozi, OurHome, Sweepy, FamilyWall, Flatastic) parlent en sans arrondi et couleurs vives sur blanc ; Tandem parle en serif éditorial sur fond de nuit (lecture de jugement, sites non mesurables d'ici).

THE MARK

Deux roues de tandem entrelacées comme deux fils : chacune passe tour à tour devant l'autre.

Logo

The symbol + wordmark is the primary logo. Use it wherever the space allows; every other version is derived from it.

CLEAR SPACE

Keep at least x = 1 × the wordmark's cap height free on every side. (inferred from the drawing; confirm before print)

- Use the supplied files in kit/logo; never retype or redraw the wordmark.
- Scale proportionally, from the corner.
- The guide lines show the cap height and baseline the lockup is aligned on.

Logo

Pick the version by the space, not by taste. When the primary logo would render smaller than 24 px tall, switch to the symbol.

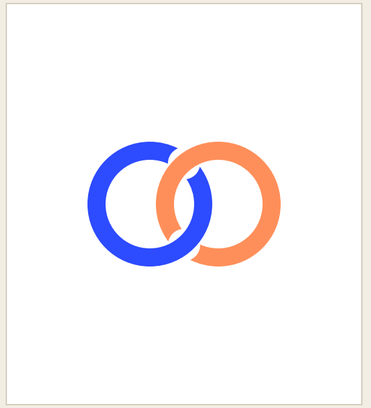

Primary

Horizontal lockup. The default for headers, documents and signage.

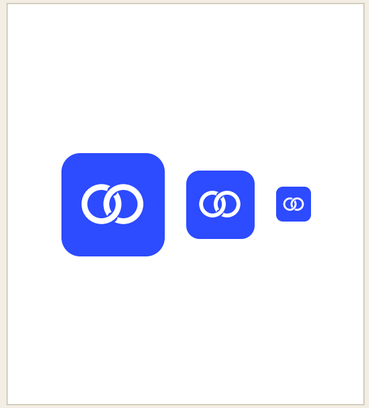

Stacked

For square and narrow spaces where the horizontal lockup gets too small.

Symbol

On its own only where the brand is already named nearby: avatars, app icons.

Favicon

The symbol on the primary colour at 48, 32 and 16 px.

24 px · smallest on screen

8 mm · smallest in print

32 px · symbol

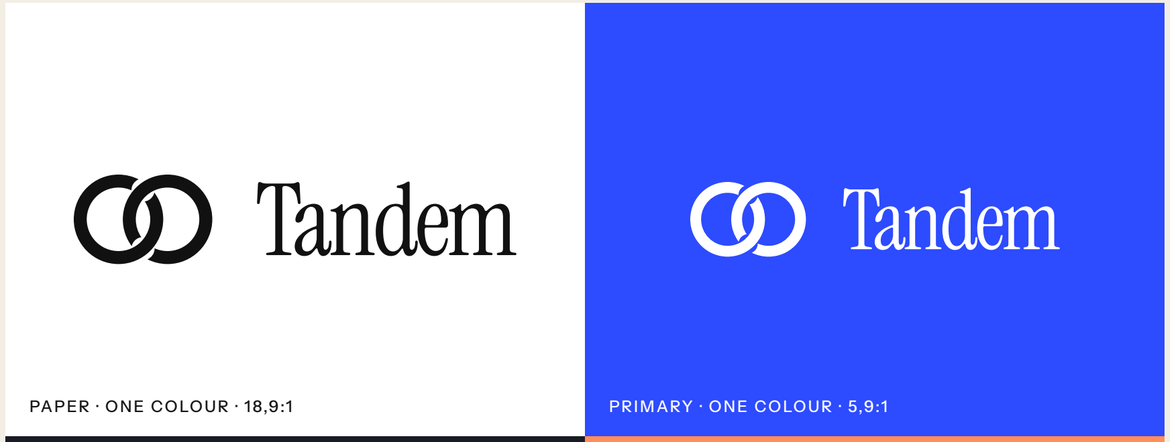

16 px · symbol

Logo

Every logo part keeps at least 3:1 against its ground. Where the colours cannot, the logo switches to one colour.

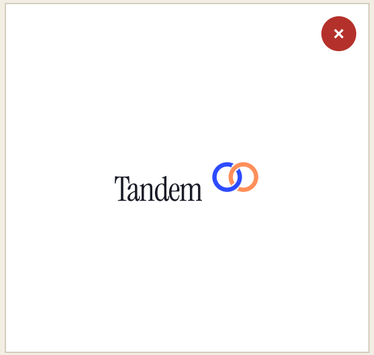

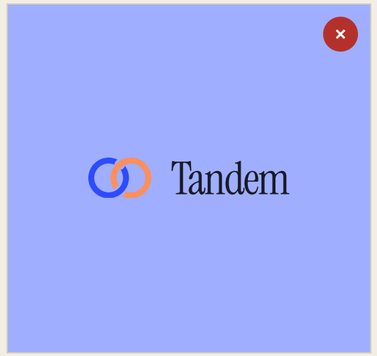

Don't stretch

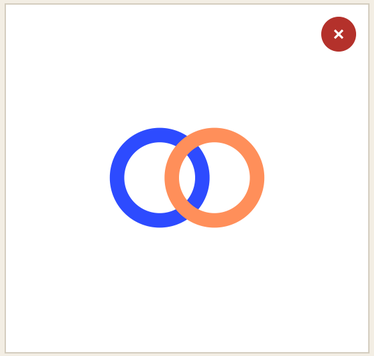

Don't recolour

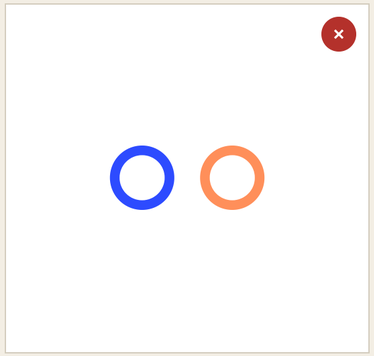

Don't rearrange the symbol and the name

Don't use low contrast

Ne pas refermer l'entrelacs

Ne pas séparer les roues

ALL RIGHTS RESERVED

Cobalt et abricot sur nuit et papier.

Colours

Band heights show how much of each colour a typical page uses. Large areas take the ground and primary; the accent stays small.

PRINT

Screen values are exact. For print, ask your printer for CMYK/Pantone matches made with their profile; the Lab D50 values are the reference to match against.

TINTS

80, 50 and 20% for charts and backgrounds only, never for text.
